COLLEGE OF HUMANITIES

SCHOOL OF BUILT ENVIRONMENT AND DEVELOPMENT STUDIES

LECTURER

IN DEMOGRAPHY / POPULATION STUDIES (ONE POST)

HOWARD COLLEGE CAMPUS

REFERENCE NUMBER.: BEDS05/2012

The Population Studies Discipline in the School of Built Environment and Development Studies wishes to appoint a Demographer/Population Scientist at the level of Lecturer in its Population Studies programme. You will be expected to teach in the programme's coursework Masters in Population Studies, and supervise masters students. You may also be required to support the training programme for government officials in population studies and development that the School co-ordinates in partnership with the national government's Department of Social Development with funding support from the UNFPA.

MINIMUM REQUIREMENTS:

SENIOR LECTURER:

- A Masters degree in Demography, Population Studies, or related discipline
- Evidence of teaching/tutoring at tertiary level (either undergraduate or postgraduate)
- Evidence of publications in accredited journals and/or book chapters/books

The remuneration package offered includes benefits and will be dependent on the qualifications and experience of the successful applicant.

The closing date for receipt of applications is 01 June 2012

Applicants are required to complete the relevant application form which is available on the Vacancies page of the University website at www.ukzn.ac.za. Completed forms may be sent to Recruitment-humanities@ukzn.ac.za. Please state the advert reference number in your subject line.

HOWARD COLLEGE CAMPUS

REFERENCE NUMBER.: BEDS06/2012

The School seeks to appoint a Lecturer to teach in the Planning programme. The successful candidate is expected to teach Planning Theory, the Development and Planning of Cities as well as other modules. A working knowledge of Integrated Development Planning and Urban Reconstruction would be an added advantage. In addition, the candidate will be expected to participate in research and administrative tasks of the School. A successful candidate will be appointed at the level of either a Lecturer or Senior Lecturer depending on his/her qualifications as required below..

MINIMUM REQUIREMENTS:

SENIOR LECTURER:

- Bachelors/Honours degree in Town Planning or any other equivalent Degree in the Built Environment Disciplines.
- Masters Degree in Planning or a relevant field of the Built Environment.
- Ph.D. in Planning or relevant field of the Built Environment
- Experience in teaching at the university level or equivalent.
- Evidence of publications and research in the Built Environment.
- In addition to the above requirements, the candidate must be able to supervise Masters and Ph.D. students.

LECTURER:

- Bachelors Degree in Housing, Town Planning or any other equivalent degree in the built environment.
- Masters Degree in a relevant field of the Built Environment.
- Experience in teaching at the university level or equivalent.
- In addition to the above requirements, the candidate must be able to supervise Masters students.

The remuneration package offered includes benefits and will be dependent on the qualifications and experience of the successful applicant.

The closing date for receipt of applications is 01 June 2012

Applicants are required to complete the relevant application form which is available on the Vacancies page of the University website at www.ukzn.ac.za. Completed forms may be sent to Recruitment-humanities@ukzn.ac.za. Please state the advert reference number in your subject line.
